

PYRAMID ENERGY "How Pyramids Works"

Feb 4, 2022 | Uncategorized

A pyramid is a structure with four equilateral triangular sloping sides resting on a square base and the four apices joining at a point forming the apex of it. In a Pyramid, four base measurements are equal and four side measurements are equal. Side measurement is equal to $0.951 \times \text{base}$.

It consists of four faces with an accurate 'golden angle of inclination' at $51^\circ 50'$. Due to this shape, angle and the Earth's magnetic field, the Pyramids receive the highest Cosmic Energy..making them the most stable structure and wonderful energy places. Their capability is defined in their name. 'Pyro' means 'fire' or energy and 'Amid' means 'centre'

or Call hence, Pyramid is a device with energy at its centre.

In general They are good conductors of information energy. It means they are able to
WhatsApp ation better than others. When an object is placed inside the pyramid, it

receives amplified or stronger information about itself. This frequency raises the
Connect he elements and "charges" them. This is irrespective of what is put into it.

For example, if one puts razor blades under a pyramid, it will stay sharp because the

Privacy - Terms

information that makes up those microscopic metal crystals try to remain in their original shape by trying to move atoms to the areas that were worn away.

Pyramids have to be aligned to perfect North, South, East and West directions so that the maximum amount of Cosmic Energy is accumulated at 1/3rd of its height from the base. This area is called as the King's Chamber.

" SOME MORE EFFECTS OF PYRAMID-ENERGY "

Quick healing: It can be used effectively to obtain relief and complete cure from all types of diseases when combined with meditation.

Increased Immunity: For general problems that arise due to pollution like allergy, It can be utilized to attain unbelievable relief. If the Pyramid energy is absorbed regularly, the body's immunity increases.

Healthier Water: If we drink water stored in a Pyramid for a minimum of three days, the universal energy will reach all parts of the body.

Memory Power: If students wear Pyramid shaped caps while studying, their memory power and knowledge improves.

By Call Distribution of Energy: There is a continuous flow of energy in the Pyramid.

Irrespective of the number of people present, everyone receives equal energy from the

By WhatsApp

Reduction in Negative Thoughts: The power of our will (and what we think) increases

By Connect mid. Hence we should avoid negative thoughts when we are sitting there to avoid increasing the negative energy.

Increased Productivity: If some seeds are kept in Pyramid for 1-5 days before their sowing, the yield from these seeds is found to be 20-100% more than the yield of normal seeds. The plants grow out of the seeds taken from Pyramid are found to be healthier.

Increased Effectiveness: Glucose and some iso-osmotic liquids stored in it are found to be more effective in drug de-addiction campaigns. They can be injected into the veins or given orally.

A LIST OF A FEW OF THE DOCUMENTED EXPERIMENT TEST RESULTS:

This is the list of life-changing Pyramid research, development and repeatedly confirmed science research done and reported by Russian Science teams to their prestigious Russian Academy of Sciences.

1. ONE MILLILITER OF PYRAMID WATER SAVED THE LIFE OF 20 PREMATURE BABIES THAT WOULD HAVE OTHERWISE DIED: A.G. Antonov et al., from the Russian R&D Institute of Pediatrics, Obstetrics and Gynecology, tested the effects of a solution of 40% glucose in distilled water stored in It. By administering only one ml. of the glucose to twenty different prematurely born infants with compromised immune systems, their levels of health were seen to rapidly increase up to practically normal values. The researchers, furthermore, discovered that the same effect could be produced by simply using one ml. of ordinary water that had been stored in the Pyramid.

Standard solutions such as glucose and iso-osmotic solution become effective for treating alcoholism and drug addiction after being placed in the Pyramid.

They can be administered either intravenously or outwardly.

Call ME HURRICANE, TORNADO, TYPHOON AND BAD WEATHER BIG STORM CONTROL SHIELD PYRAMID STORM SHIELD SHELTER (PSSS)

WhatsApp Its using especially sensitive military sensing equipment similar to radar called a "military locator," tested the 44-meter high Russian pyramid. They found a 500-

Connect column of energy around the pyramid, going straight up and down more

than 2000-meters tall (more than 6,000 feet) as well as an also much bigger 300-kilometre wide circle formed around it.

This 300-kilometre PYRAMID POWER energy field deflected all huge storms and severe weather conditions, causing them to go "around" rather than "through" the area, creating a protective radius of 300 kilometres (forming an almost 200 mile NATURAL protective bad weather shield).

3. REDUCES CRIMINAL BEHAVIOR

David Wilcock wrote: (In his bestseller, "Investigating the Source Field", "The Russian Science of Academies confirmed that pyramid energy could reduce criminal behaviour and increase feelings of love and peace. All they did was store granite and other crystalline structures in the pyramid for several days and then set them up then in and around certain jails in Russia holding a total of about five thousand prisoners. A quantity of salt and pepper was stored inside the Pyramid and used in food

"According to the Pyramid Research Association website's summary of these results, 'In a few months most crimes almost disappeared, and behaviour was much improved.' Nothing in the jails under study had been changed except that this pyramid charged granite had been built into their own surroundings and except that this salt and pepper was secretly added to their food."

4. RABBITS AND MICE WERE TWICE AS STRONG

5. ALL THINGS HARMFUL TO LIFE ARE TRANSFORMED TO BEING NEUTRALIZED OR LESS HARMFUL

6. MILLION YEAR OLD "EXTINCT" FIELD FLOWER SUDDENLY APPEARS "REBORN" BLOOMING AGAIN

7. EARTHQUAKE CONTROL Allowing the geo-tectonic stress and frictional charges to bleed away in small doses and CAUSE NO EARTHQUAKE DAMAGE in the area WHATSOEVER!

8. Agricultural seeds were kept in a Pyramid for one to five days before being planted.

More than twenty different seed varieties were planned across tens of thousands of acres. In all cases, the seeds from the Pyramid had a 20 to 100% increase in their yield; The plants did not get sick and were not affected by droughts.

9. ALL TOXIC EFFECTS EVER KNOWN OR REPORTED FROM PYRAMID POWER

10. ALL RADIOACTIVE MATERIAL DECAYS FASTER

11. STRONTIUM, HEAVY METALS AND SALT VANISH FROM WELL WATER

12. DIAMONDS GET HARDER

13. PYRAMID-Fire at the centre

Dr A.A. Golod directed a team from the Scientific Manufacturing Union Gidrometpribor in Russia that came up with a variety of results. Plastic bottles of distilled water were kept in the Pyramid during three winter months where the air temperature sank as low as -38°C, but the water remained in a liquid form and would not turn into ice!

14. NEW STREAMS OF WATER APPEAR NEARBY

15. PYRAMID SEED CROPS DO NOT GET SICK

16. PYRAMID SEED CROPS NEED LESS WATER

17. CLEANER OIL WELL PRODUCTION

A series of Pyramids were built over a number of oil wells. The viscosity of the oil under the Pyramids decreased by 30%

The production rate accordingly increased by 30%.

There was a decrease in the number of unwanted materials in the oil, such as gums, Pyrobitumen and Paraffin.

These results were confirmed by the Gubkin Moscow Academy of Oil and Gas.

18. HEALS OZONE HOLES ABOVE PYRAMIDS

19. PROTECTS AREA FROM LIGHTNING STRIKES

20. PYRAMID MOUNTAIN ENHANCED ALL LIFE AROUND IT

21. RAISES VIBRATION OF EARTH—BY INNATELY INCREASING LOVING HUMAN INTERACTION

22. AZOR BLADE GIVES MORE NO. OF SHAVES KEPT UNDER THE PYRAMID: Patent no 91304 is given by Patents Commission of Czechoslovakian Republic for this Blade Sharpener.

23. Call Dr. M. Kilmenko and D.N. Nosik, M.D. – Ivanovskii R & D Institute of Virology – Russian Academy of Medical Science, conducted a study involving the drug Venoglobulin,

24. WhatsApp Irrigating virus-fighting compound in human beings. When the drug was diluted into a concentration of 50 micrograms per ml. and stored in it for a time, it

25. Connect 10 times more effective at fighting viruses.

24. ALWAYS documented POSITIVE RESULTS (Never any harmful effects)

SOME MORE INTERESTING OBSERVATIONS BY MANY OTHER RESEARCHERS:

Vegetables and Fruits kept in it remained Fresh for a longer period Normal water kept in a Pyramid became energized Water and could be served as a tonic Too Milk kept in the Pyramid did not spoil at the end of the day Wounds, boils, cuts on the skin cured very quickly Quality of sleep and Clarity of dreams improved

Pyramids generate negative ions which have a positive influence on our bodies The Pyramids provide unbelievable relief for general health problems like Allergy, Common cold etc

If the Pyramid Energy is absorbed regularly the immunity of the body increases The water stored in Pyramid for a minimum period of 3 days is drunk, the Universal Energy reaches every cell of the body

If students wear Pyramid Cap while studying, their Memory Power increases Gives the skin a healthy and youthful glow

Sitting in Pyramid regularly reduces negativity and increases Positivity In Nagpur, Maharastra, INDIA the Traffic Police have kept Pyramids in a place where accidents were common and found as an after effect that the accidents have come down completely

PYRAMID CONSTRUCTION

The golden angle of 51° 50' to the base, a miniature replica of the Great Pyramid.

It must be aligned to the four cardinal points – TRUE NORTH to be followed

$4 \times \text{Base (i.e. Perimeter)} / \text{Height} = 2 \times \text{pie}$

$a/b = a + b/a$ Golden Ratio ($a=1.618034, b=1$)

For Base -10 Side -9.51 Height-6.36 Apothem-8.09
